TERMS: NET 10 DAYS/PAYMENT MUST BE MADE WITHIN 30 DAYS

Application for credit is hereby made and the above information and references given. It is understood that this data will be held in strictest confidence and used only by our credit department. It is further understood and agreed that, after 30 days from the date of invoice, a service or Finance Charge will be computed and charged to the account by applying a periodic rate of 1 ½% per month on the unpaid balance, which is an Annual Percentage Rate of 18% per year. You are hereby authorized to extend credit to the above named firm and the undersigned guarantees payment personally, individually, and collectively. If the event of any default as a result of which NorthEast Concrete Products, LLC must retain counsel, 25% may be added to the unpaid balance due.
